Dear Mr. Karpel:

Re: NYCSCA
 "Mothballing", P.S. 109
 Manhattan, New York Co.
 99PR1255

Thank you for providing information regarding the proposed "Mothballing" of P.S. 109. I have reviewed this additional information in accordance with the provisions of Section 14.09 of the New York State Parks, Recreation, and Historic Preservation Act of 1980, and our earlier correspondence.

It is the opinion of the Office of Parks, Recreation, and Historic Preservation that the project will have No Adverse Impact on this National Register eligible school building. The "mothballing" steps are in line with those generally recommended by our office, and as you state, are in accordance with those recommended by the National Park Service as part of their technical publication 31.

Thank you again for your submission. If you have any questions, please call me at (518) 237-8643, ext. 3271.

Sincerely,

Julian W. Adams
 Sr. Historic Sites Restoration Coordinator
